Suggested Project Report Layout

1) Introduction

2) Requirements / Analysis / Design
   - What are we building
   - What are the limitations / feature
   - Major functional blocks
   - Circuit Diagram
   - stand alone / pc connected ?
   - Power Consumption

3) Implementation
   - flow chart
   - Coding Decisions
   - Innovative Code pieces

4) Evaluation
   - How successful was it?
   - Any Improvements / Known problems

5) <u>Appendices</u>

    — Code

    — <u>optional</u>:

        — 1 page user manual

        — Project plan
